Soils on which at least two-thirds of the land has been actively used in agricultural, horticultural or forestry operations as defined in G.S. 105-277.2 (1, 2, 3) during each of the five previous years, measured from the date on which the determination must be made as to whether the land in question qualifies;

- 4) The property, if highly erodible land exists on the farm, is managed in accordance with the Natural Resources Conservation Service defined erosion control practices that are addressed to said highly erodible land; and

- 5) The property is the subject of a conservation agreement, as defined in G.S. 121-35, between the county and the owner of such land that prohibits non-farm use or development of such land for a period of at least ten years, except for the creation of not more than three lots that meet applicable county watershed and subdivision regulations, or the regulations of any municipality which apply to the farm property. APPLICATION, APPROVAL AND APPEAL PROCEDURES  
FOR VOLUNTARY AGRICULTURAL DISTRICTS

Section 700. Creation of Voluntary Agricultural Districts

In order to implement the purposes stated in Article III, this program provides for the creation of voluntary agricultural districts which shall meet the following standards:

- (1) The district, when initially established, shall contain a minimum of 25 contiguous acres of qualified farmland, OR, two or more qualified farms which contain a minimum of 25 acres and are located within a mile of each other;
- (2) The landowner(s) requesting inclusion in the district shall execute an agreement with the county as provided in G.S. 106-737(4) to sustain agriculture in the district in accordance with Section 600(5) of this program. Said agreement shall be in a form which is reviewed and approved by the advisory board.

Section 701. Application to Participate

A landowner may apply to participate in the program by making application to the chairman of the advisory board or to a designated staff person. The application shall be on forms provided by the advisory board. The application to participate in a district may be filed with the certification of qualifying farmland.

Section 702. Approval Process

Upon review by the staff of the written certification and application submitted by the property owner, the board shall meet within 30 days if possible to approve or disapprove the application. The chairman shall notify the applicants by first class mail of said approval or disapproval of participation in the district.

Section 703. Appeal

If an application is denied by the Agricultural Advisory Board, the petitioner has 30 days to appeal the decision to the Watauga County Board of Commissioners. Such appeal shall be presented in writing. The decision of the Board of Commissioners is final.

ARTICLE VI11  
REVOCATION AND RENEWAL OF CONSERVATION AGREEMENTS

REVOCATION

By written notice to the board, a landowner of qualifying farmland may revoke the preservation agreement formulated pursuant to Section 600 (5) of this program, or the board may revoke same preservation agreement based on noncompliance by the landowner. Such revocation shall result in loss of qualifying farm status, and consequently, loss of eligibility to participate in a voluntary agricultural district and the benefits thereof. Revocation by a landowner of a preservation agreement and the resulting loss of qualifying farmland status for the purpose of participation in a voluntary agricultural district shall in no way affect the eligibility of the land to be taxed at its present use value as provided in N.C.G.S. 105-277.2 through N.C.G.S. 105-277.6. If a portion of a district is removed for any reason after being established by this program, the remaining qualified farms may remain in the program, provided they meet all other requirements except the minimum area requirements of Section 700 (1).

RENEWAL

Conservation Agreements shall be deemed automatically renewed for an additional term of 10 years, unless either the Advisory Board or the landowner gives written notice to the contrary no later than 30 days prior to the termination date.

The action above does not prevent anyone who is enrolled from withdrawing at a later date by written notice.
