County Manager Geouque stated that Clark Nexsen (Architects for the Valle Crucis Elementary School and EMS Facility) had been acquired by Johnson, Mirmiran & Thompson, Inc., (JMT). The acquisition required the contracts with Clark Nexsen to be assigned to JMT. The County should see no change in the service provided and should be seamless on our side. The County Manager stated that the Board would need to approve the assignment of the contracts from Clark Nexsen to JMT.

County Attorney Miller stated that the County would still be working with the same people and billed under the name of Clark Nexsen. JMT was a holding company and the change was brought about due to Clark Nexsen being employee owned but all employees were not architects; therefore, there was the need for the merger.

PROPOSED PROCLAMATION FOR ELDER ABUSE AWARENESS DAY

MANAGER’S COMMENTS:

Ms. Christie Markham, Ms. Angie Boitnotte, and Mr. Zack Green will present a proclamation declaring June 15, 2025, as “World Elder Abuse Awareness Day” in North Carolina.

Board action is requested to adopt the proclamation as presented.

MEMORANDUM

TO: Deron Geouque, County Manager

FROM: Christie Markham, Adult Services Supervisor, Watauga DSS

Angie Boitnotte, Director, Watauga County Project on Aging

Zack Green, Director, High Country Area Agency on Aging

DATE: May 21, 2025

SUBJECT: Request for Board of Commissioners' Recognition of World Elder Abuse Awareness Day

Please see the attached proposed Watauga County proclamation for World Elder Abuse Awareness Day on June 15, 2025.

In state fiscal year 2024, there were 38,490 reports of abuse, neglect or exploitation of vulnerable and older adults made to North Carolina's 100 County Departments of Social Services. More than half of these reports were evaluated by a social worker to see if conditions in the report merited further action.

Unfortunately, national and international research shows that abuse, neglect and exploitation of vulnerable and older adults are grossly under reported. Reports are made not only by doctors and other professionals, but by family members and concerned citizens in our communities. North Carolina's vulnerable and older adults of all social, economic, racial and ethnic backgrounds may be targets of abuse, neglect or exploitation which can occur in families, long-term care facilities

and communities. Protecting North Carolina's vulnerable and older adults is a community responsibility and all citizens are charged under state law to report suspected abuse, neglect or exploitation to their local County Department of Social Services.

The Division of Social Services partners with County Departments of Social Services, and other agencies at the county and state level, to offer statewide programs for adult protective services and to increase awareness about elder abuse and consumer fraud. Locally, Watauga County has an Elderly and Disabled Adult Abuse Prevention Team that meets monthly and is a voluntary collaboration of several community-based agencies and organizations whose primary goal is to protect and promote the health and welfare of elderly and disabled adults within Watauga County.

We all have the responsibility to support the safety, welfare, and dignity of North Carolina's vulnerable and older adults. We urge all citizens to work together to help protect adults from abuse, neglect, and exploitation. It is imperative that North Carolinians refuse to tolerate the indignity of Elder Abuse.

Thank you for your consideration.

WHEREAS, Eliminating abuse to older persons is each community's responsibility; the County of Watauga is concerned about the risk to our older residents who suffer from neglect or are victims of financial, emotional or physical abuse; and

WHEREAS, All of our residents should watch for signs of abuse such as physical trauma, withdrawal, depression, anxiety, fear of family members, friends or caregivers; and

AGENDA ITEM 9:**REQUEST TO AMEND THE “NOT TO EXCEED” AMOUNT IN SDR AND DEBRISTECH’S NOTICE TO PROCEED****MANAGER’S COMMENTS:**

Mr. Chip Patterson, SDR, will request the Board approve an additional increase to the “Not to Exceed” (NTE) amount from \$3.8 million to \$5,950,000, an additional increase of \$2,150,000. Mr. Patterson will be on hand to present the request and answer any questions the Board may have. The amount is fully reimbursable by FEMA and or the State. The increase would allow SDR to continue right-of-way debris removal and complete the project. In conjunction with that amendment, Mr. Dennis Cruthird with Debris Tech (monitoring company as required by FEMA for reimbursement) will request an additional increase in the “Not to Exceed” amount of their contract from \$1.5 million to \$2 million. The \$2 million plus the \$5,950,000 brings the total amount to \$7,950,000 which is approximately \$1,559,219 more than the initial estimate. The Board could elect to not approve the requests which would cease the remainder of all right-of-way debris removal and require the County to bid out the service and ensure FEMA/State reimbursement. Staff would recommend the Board approve the increases to the NTE’s for both companies to eliminate any delay in right-of-way debris removal.

Board approval is required to grant the increase from \$3,800,000 to \$5,950,000 in SDR’s “Not to Exceed” amount and Debris Tech’s increase from \$1,500,000 to \$2 million in the “Not to Exceed” amount.

CLIENT warrants that it possesses the authority to provide right of entry permission for the performance of BREC'S Services. CLIENT hereby grants BREC and its subcontractors and/or agents, the right to enter from time to time onto the property owned by CLIENT and/or other(s) in order for BREC to perform the Scope of Services.

Except where BREC'S Scope of Services explicitly includes obtaining permits, licenses, and/or utility clearances for the performance of BREC'S Services, CLIENT warrants that it possesses all necessary permits, licenses and/or utility clearances for the Services to be provided by BREC.

BREC will take reasonable precautions to limit damage to the Site and Improvements during the performance of BREC'S Services, but makes no guarantees that said precautions will prevent any damage.

CLIENT agrees that it will not bring any claims for liability or for injury or loss allegedly arising from the fulfillment of the Project Agreement and Authorization to Proceed.

UNDERGROUND UTILITIES

In addition to CLIENT-furnished information regarding underground utilities, BREC shall take reasonable and locally customary precautions, possibly including contacting local public and/or private utility locating services, and/or conducting research of publicly available information, to identify underground utilities, as deemed appropriate in BREC'S professional opinion. The extent of such precautions shall be at BREC'S sole discretion.

CLIENT recognizes that despite due care, BREC may be unable to identify the locations of all subsurface utility lines and man-made features, and that information obtained by BREC and/or BREC'S subcontractor(s) or provided to BREC from any entity may contain errors or be incomplete.

CLIENT agrees that BREC shall not be liable for damage or injury, consequential economic damages, and/or penalties resulting from damage to subterranean structures (pipes, tanks, cables, or other utilities, etc.) which are not called to BREC'S attention in writing and correctly shown on the diagram(s) furnished by CLIENT or CLIENT'S consultants, or for underground features not marked, or improperly located by governmental or quasi-governmental locators, utility owners, or private locating services.

OWNERSHIP OF DOCUMENTS

With the exception of the copies of the BREC Documents of Service provided to the CLIENT, all documents, calculations, designs, plans, specifications, reports, or similar documents and estimates of any kind furnished by BREC ["Documents of Service"] maintained in any form deemed appropriate by BREC, are and remain, the property of BREC.

Any Services provided by BREC shall be (including subcontracted Services) for the CLIENT'S sole use. CLIENT understands and agrees that any use of the Documents of Service by anyone other than the CLIENT is not permitted.

CLIENT agrees to not use BREC'S Documents of Service for any other projects or for the Project which has changed in scope, or extensions of the Project, from the details contemplated in BREC'S Documents of Service. Any reuse without BREC'S written consent shall be at CLIENT'S sole risk and without liability to BREC or to BREC'S subcontractor(s).

CLIENT agrees that BREC'S Documents of Service may not under any circumstances be altered by any party except BREC. CLIENT warrants that BREC'S Documents of Service shall be used only and exactly as submitted by BREC.

Files in electronic media format of text, data, graphics, or other types that are furnished by BREC are furnished only for convenience, not reliance by the receiving party. Any conclusion or information obtained or derived from such electronic files will be at the

user's sole risk. If there is a discrepancy between the electronic files and the hard copies, the hard copies shall govern.

SAFETY

CLIENT agrees that BREC is responsible solely for the basic safety of BREC's employees on the Project Site. These responsibilities shall not be inferred by any party to mean that BREC has responsibility for any portion of site safety for any reason. Unless otherwise expressly agreed to in writing, BREC's Scope of Services excludes responsibility for any aspect of site safety other than for BREC's own employees, and nothing herein shall be construed to relieve CLIENT and/or its other contractors, consultants, or other parties from their responsibility for the safety of their own employees. For active construction sites, CLIENT also agrees that the General Contractor is solely responsible for Project Site safety, and that BREC personnel rely on the safety measures provided by the General Contractor.

In the event BREC expressly assumes health and safety responsibilities for toxic or other concerns specified, the acceptance of such responsibility does not and shall not be deemed an acceptance of responsibility for any other health and safety requirements.

CONSTRUCTION TESTING AND REMEDIATION SERVICES

CLIENT understands that construction testing and observation Services are conducted to reduce, not eliminate, the risk of problems arising during or after construction or remediation, and that provision of such Services does not create a warranty or guarantee of any type. Monitoring and/or testing Services provided by BREC shall not in any way relieve the CLIENT's contractor(s) from their responsibilities and obligations for the quality or completeness of construction, nor for complying with applicable Laws and codes.

The professional activities of BREC, or the presence of BREC employees and subcontractors, shall not be construed to imply BREC has any responsibility for the means, methods, techniques, sequencing of construction, or procedures of construction selected, for safety precautions and programs incidental to the Contractor's Work. Furthermore, BREC does not and shall not have or accept authority to supervise, direct, control, or stop Contractor's Work.

BREC strongly recommends that CLIENT retain BREC to provide its Services on a full time basis to lower the risk of defective or incomplete Work being installed by CLIENT's contractor(s). If CLIENT elects to retain BREC on a part time basis for any aspect of construction monitoring and/or testing, CLIENT accepts the increased risks that a significantly lower level of construction quality may occur and that such defects may not be undetected by BREC's part time observations. Therefore CLIENT waives any and all claims against BREC related to unsatisfactory quality or performance of elements observed or tested by BREC on a part time basis.

CERTIFICATIONS

CLIENT may request, or governing jurisdictions may require, BREC to provide a "certification" regarding Services provided by BREC. Any "certification required by BREC by the CLIENT, or jurisdiction(s) having authority over some or all aspects of the Project, shall consist of BREC's inferences and professional opinions based on limited sampling, observations, tests, and/or analyses performed by BREC at discrete locations and times. BREC's "certification" shall consist of BREC's professional opinion of a condition's existence, but BREC does not guarantee that such condition exist, nor does it relieve other parties of responsibilities or obligations such parties have. CLIENT agrees not to make resolution of any dispute with BREC or payment of any amount due to BREC in any way contingent upon BREC signing any such "certification" documents.

BILLINGS AND PAYMENTS

Billings will be based on the unit rates, travel costs, and other reimbursable expenses stated in the Professional Fees. Any Estimate of Professional Fees stated in this AGREEMENT shall not be considered as a not-to-exceed or lump sum amount unless otherwise explicitly stated in this AGREEMENT.

Should BREC identify a Changed Condition, BREC shall notify the CLIENT of the Changed Condition(s) that BREC's professional judgment requires an amendment of the Professional Fees, time schedule, and/or Scope of Services. BREC and CLIENT shall promptly and in good faith negotiate a written amendment to this AGREEMENT. CLIENT recognizes that time is of the essence with respect of payment of BREC's invoices, and that timely payment is a material part of the consideration of this AGREEMENT. Payment shall be in U.S. funds drawn upon U.S. banks and in accordance with the rates and charges set forth in the Professional Fees. Invoices shall be due and payable upon receipt.

If CLIENT disputes all or part of an invoice, CLIENT shall provide BREC with written notice stating in detail the facts of the dispute within twenty-one (21) calendar days of the invoice date and agrees to pay the undisputed amount of such invoice promptly.

BREC reserves the right to charge CLIENT an additional charge of one-and-one-half (1.5) percent (or the maximum percentage allowed by Law, whichever is greater) of the invoiced amount per month for any payment received by BREC more than thirty (30) calendar days from the date of the invoice, excepting any portion of the invoiced amount in dispute and resolved in favor of CLIENT. Payment will first be applied to accrued interest and then to the unpaid principal amount. Payment of invoices shall not be subject to unilateral discounting or set-offs by CLIENT.

CLIENT agrees that its obligation to pay for the Services is not contingent upon CLIENT'S ability to obtain financing, zoning, approval of governmental or regulatory agencies, permits, final adjudication of a lawsuit in which BREC is not involved, upon CLIENT'S successful completion of the Project, settlement of a real estate transaction, receipt of payment from CLIENT's client, or any other event. Retainage shall not be withheld from any payment, nor shall any deduction be made from any invoice on account of penalty, liquidated damages, or other sums incurred by CLIENT. It is agreed that all costs and legal fees including actual attorney's fees, and expenses incurred by BREC in enforcing any provision of the AGREEMENT, in perfecting or obtaining a lien, recovery under a bond, collecting any delinquent amounts due, or executing judgments, shall be reimbursed by CLIENT within 30 days of receipt of same from BREC.

Payment of any Invoice by the CLIENT shall be taken to mean that the CLIENT agrees to the provisions of the AGREEMENT and is satisfied with BREC's Services and is not aware of any defects in those Services, unless CLIENT has provided notice to BREC in accordance with the Defects in Service provisions of this AGREEMENT.

DEFECTS IN SERVICE

CLIENT and CLIENT'S personnel and contractors shall promptly inform BREC of any actual or suspected defects in BREC's Services, to help BREC take those prompt, effective measures that in BREC's opinion will help reduce or eliminate the consequences of any such defect. Corrections of defects attributable to BREC's Services shall be provided at no cost to CLIENT, except in the case that the deficiency is directly attributable to CLIENT furnished information; CLIENT shall compensate BREC for the costs for correcting such defects, within 30 days.

Modifications to reports, documents and plans required as a result of jurisdictional reviews or CLIENT requests shall not be considered to be defects in Services. CLIENT shall compensate BREC for Additional Services required as a result of jurisdictional review requirements, within 30 days.

INSURANCE

BREC represents that it and its subcontractors and sub consultants are protected by Workers Compensation insurance, and that BREC is covered by general liability, automobile and professional liability insurance policies which it deems reasonable and adequate.

BREC shall furnish certificates of insurance upon request. The CLIENT is responsible for requesting specific inclusions or limits of coverage that are not present in BREC insurance, the cost of such inclusions or coverage increases, if available, will be at the expense of the CLIENT.

INDEMNIFICATION

BREC agrees to hold harmless and indemnify CLIENT from and against damages arising from BREC's negligent performance of its Services to the extent that such injury is found to be caused by BREC's negligent acts, errors or omissions, specifically excluding any damages caused by any third party or by the CLIENT.

To the fullest extent permitted by applicable Law, CLIENT agrees to indemnify, defend, and hold BREC harmless from and against any and all liability, claims, suits, damages, demands, fines, penalties, costs, and expenditures (including reasonable attorneys' fees and costs of litigation defense and/or settlement) ["Damages"] caused in whole or in part by the negligent acts, errors, or omissions of the CLIENT and CLIENT'S employees, agents, staff, contractors, subcontractors, consultants, and clients, provided such Damages are attributable to: (a) the bodily injury, personal injury, sickness, disease and/or death of any person; (b) injury to or loss of value to tangible personal property; or (c) a breach of this AGREEMENT, except to the extent such Damage is caused by the sole negligence or willful misconduct of BREC.

It is specifically understood and agreed that in no case shall BREC be required to pay an amount of Damages disproportional to BREC's culpability, or any share of any amount levied to recognize more than actual economic damages.

CONSEQUENTIAL DAMAGES

CLIENT shall not be liable to BREC and BREC shall not be liable to CLIENT for any consequential damages incurred by either due to the fault of the other, regardless of

the nature of the fault, or wherever committed by the CLIENT or BREC, their employees, consultants, agents, contractors, or subcontractors, or whether such liability arises in breach of contract or warranty, tort (including negligence), Statute, or any other cause of action. Consequential damages include, but are not limited to, loss of use and loss of profit.

BREC shall not be liable to CLIENT, or any entity engaged directly or indirectly by CLIENT, for any liquidated damages due to any fault, or failure to act, in part or in total by BREC, its employees, agents, or subcontractors.

SOURCES OF RECOVERY

All claims for damages related to the Services provided under this AGREEMENT shall be made against the BREC entity contracting with the CLIENT for the Services, and no other person or entity. CLIENT agrees that it shall not name any affiliated entity including parent, peer, or subsidiary entity or any individual officer, director, or employee of BREC, unless such claims are based on acts unrelated to the provision of Services under this AGREEMENT.

CLIENT agrees that it will not seek Damages from any individual associated with BREC as an officer, principal, partner, employees, or owner, from any and all claims or liability for injury or loss including but not limited to that would require such individual to relinquish personal assets to satisfy such claim.

THIRD PARTY CLAIMS EXCLUSION

This AGREEMENT shall not create any rights or benefits to parties other than CLIENT and BREC. No third-party shall have the right to rely on BREC's opinions rendering connection with BREC's Services without both CLIENT'S and BREC's written consent and the third-party's agreement to be bound to the same terms and conditions contained in this AGREEMENT as CLIENT, and third-party's agreement that BREC's Scope of Services performed is adequate.

DISPUTE RESOLUTION

All claims, disputes or controversies ["Disputes"] arising out of, or in relation to the interpretation, application or enforcement of this AGREEMENT shall be decided as follows:

CLIENT and BREC agree to attend a dispute resolution meeting within fourteen (14) days of identification of a Dispute by either party. CLIENT and BREC agree to negotiate in good faith to resolve the Dispute.

Should negotiation fail to resolve the dispute, CLIENT and BREC agree to mediate their dispute via a mediator selected by either party, and acceptable to both parties.

Should mediation fail to result in resolution of the Dispute, CLIENT and BREC agree that litigation may be brought by either party.

Should third-party dispute resolution be required, through mediation or litigation, the non-prevailing party shall reimburse the prevailing party for the prevailing party's documented legal costs, in addition to whatever other judgments or settlement sums may be due. Such legal costs include, but are not limited to, reasonable attorney's fees, court costs, forensic consultants and expert witness fees, and other documented expenses.

Where legal action is brought by either party to resolve a dispute, the claim shall be brought and tried in the judicial jurisdiction of the county in which BREC's office contracting with the CLIENT is located, venue is Watauga County. CLIENT waives the right to remove any litigation action to any other jurisdiction, unless mutually agreed to by both parties.

This AGREEMENT including all matters related to performance and remediation shall be interpreted according to the substantive Laws of the state of North Carolina (but not including its choice of law rules).

CURING A BREACH

A party that believes the other has materially breached this AGREEMENT shall issue a written termination notice to the other, identifying the cause for termination within five (5) business days of identifying such cause. Both parties shall then bargain promptly and in good faith to cure such cause. If an acceptable cure can be achieved within fourteen (14) calendar days from the date of the termination notice, the parties shall commit their understandings to writing and termination shall not occur.

Either party may waive any right provided by this AGREEMENT in curing an actual or alleged breach; however, such waiver shall not affect future application of such provision or any other provision.

TERMINATION

CLIENT or BREC may terminate this AGREEMENT for breach of this AGREEMENT, or for any other reasons which may arise. In the event of termination, the party effecting termination shall so notify the other party in writing, and termination shall become effective fourteen (14) calendar days after receipt of the termination notice.

Irrespective of which party shall effect termination, or the cause therefore, BREC shall promptly render to CLIENT a final invoice and CLIENT shall immediately compensate BREC for Services rendered and costs incurred, in accordance with BREC's prevailing Fee Schedule and expense reimbursement policy. Services shall include those rendered up to the time of termination, as well as those associated with termination itself, including without limitation demobilizing, modifying schedules, and reassigning personnel.

TIME TO BAR TO LEGAL ACTION

Unless prohibited by Law, and notwithstanding any Statute that may provide additional protection, CLIENT and BREC agree that claims by either party arising out of this AGREEMENT or the Services provided hereunder shall not be initiated more than two (2) years from the time the party knew, or should have known, of the condition giving rise to its claim, and shall under no circumstances be initiated more than three (2) years from the date of substantial completion of BREC's Services. Any legal action brought under this Agreement shall be brought and tried in the judicial jurisdiction of Watauga County.

ASSIGNMENT

Except for Services normally or customarily subcontracted by BREC in the performance of its Services including, but not limited to surveyors, specialized consultants, drilling and excavating subcontractors, and testing laboratories, neither the CLIENT nor BREC may delegate, assign, sublet or transfer its duties, responsibilities or interests in this AGREEMENT without the written consent of the other party.

SEVERABILITY

Any provision of this AGREEMENT later held to violate a Law, Statute, or Regulation, shall be deemed void, and all remaining provisions shall continue in full force and effect. CLIENT and BREC shall endeavor to quickly replace a void provision with a valid substitute that expresses the intent of, or at least addresses, the issues covered by the original provision.

TITLES

The titles used in this AGREEMENT are for general reference only and are not part of the AGREEMENT.

SURVIVAL

All obligations arising prior to the termination of this AGREEMENT and all provisions of this AGREEMENT allocating responsibility or liability between the CLIENT and BREC shall survive the substantial completion of Services and the termination of this AGREEMENT.

MISCELLANEOUS PROVISION

BREC shall have the right to include photographic or artistic representations of its services provided and work product created pursuant to the Proposal and this Agreement among BREC's promotional and professional materials. However, any material shall not include the CLIENT's confidential or proprietary information. CLIENT shall provide professional credit for BREC in CLIENT's promotional materials for the Project.

ENTIRE AGREEMENT

This AGREEMENT including the Scope of Services and Professional Fees and all exhibits, appendixes and other documents appended to it, constitute the entire AGREEMENT between CLIENT and BREC. CLIENT acknowledges that all prior understandings and negotiations are superseded by this AGREEMENT. CLIENT acknowledges acceptance of these terms by submitting a CLIENT Work Authorization to BREC.

CLIENT and BREC agree that subsequent modifications to this AGREEMENT shall not be binding unless made in writing and signed by authorized representatives of both parties.

All preprinted Terms and Conditions on CLIENT'S purchase order of Work Authorization, or other service acknowledgement forms, are inapplicable and superseded by this AGREEMENT.

If CLIENT fails to provide BREC with a signed copy of this AGREEMENT or a Work Authorization, by the act of authorizing and accepting the services of BREC, CLIENT agrees to be fully bound by terms of this AGREEMENT as if signed by CLIENT.

Elections and Emergency Management Workshop
Kansas City, Missouri

Event Venue: To be provided upon RSVP

Date & Time: Friday, June 20, 2025
12:00 - 4:30 p.m.

The Center for Tech and Civic Life (CTCL) is organizing a half-day nonpartisan workshop on elections and emergency management on Friday, June 20 in Kansas City, MO. The event will bring together state and local election administrators and emergency managers from across the country, including those who have recently responded to natural disasters and other emergencies during election periods (e.g., Hurricane Helene in 2024). Attendees will share experiences, best practices, and ideas to help identify areas where election administrators and emergency managers can deepen engagement and strengthen preparedness and resilience ahead of future emergencies. The workshop aims to advance research and learning that can strengthen mutual understanding among election administrators and emergency managers and support both communities' efforts to prepare for and respond to emergencies that occur during election periods.

The afternoon workshop will include presentations from election official and emergency manager attendees, facilitated brainstorming sessions, a working lunch (optional), and a post-event reception (optional). The workshop will take place one day prior to the International Association of Government Officials' annual conference, which is a separate event.

Subject: RE: [External] Center for Tech and Civic Life workshop

We do not believe it would, Matt. As we explain in NM 2024-01, the law prohibits private donations or contributions if those are for employing temporary workers or “for conducting elections,” which we take to mean that the donation or contribution “directly facilitates a process integral to carrying out an election, such as candidate filing, the conduct of voting, the determination of election results, or providing official notification to voters of the details of an upcoming or ongoing election.” As we note on page 2, one of the examples of something that is not “for conducting elections” is “Costs for attending professional development conferences that may include events discussing topics pertaining to elections.” A CTCL workshop on these topics would fall under the category of such professional development activities.

"H&H" shall mean Hoffman & Hoffman, Inc., and its officers, employees, and agents. **"Buyer"** shall mean the person or entity entering into this Agreement to purchase goods and/or services.

1. Controlling Terms & Conditions: This Agreement, upon Buyer's acceptance, is limited to the terms and conditions stated herein, despite any additional or conflicting terms and conditions contained in any purchase order, any other document presented by Buyer, or any contract document between Buyer and any third-party (i.e., owner, other contractor, etc.), all of which additional or conflicting terms are hereby rejected by H&H. No waiver of, or modification to, these Terms and Conditions shall be valid unless made in writing and signed by an authorized representative of H&H. H&H salespeople are not authorized to waive or modify any Terms and Conditions. The terms of any written proposal / quote made by H&H ("proposal") and these Terms and Conditions shall constitute the entire agreement of the parties.

2. Acceptance: Any H&H proposal expires if not accepted by Buyer within thirty (30) days from the date of the proposal. Prices are at all times subject to escalation. Typographical and clerical errors in quotations, orders and acknowledgments are subject to correction. Buyer is deemed to have accepted any H&H proposal, including these Terms and Conditions, when Buyer either (a) receives and retains an acknowledgement from H&H without written objection within ten (10) days, (b) accepts delivery of all or any part of the goods ordered, (c) provides to H&H delivery dates, shipping instructions, or other instructions evidencing acceptance, or (d) otherwise executes or assents to any proposal or these Terms and Conditions. If Buyer accepts any proposal, Buyer's order shall be deemed acceptance of the proposal subject solely to H&H's terms and conditions. If Buyer's order is expressly conditioned upon H&H's acceptance or assent to terms and/or conditions other than those stated herein, return or acknowledgment of such order by H&H with H&H's Terms and Conditions attached or referenced serves as H&H's notice of objection to, and rejection of, Buyer's terms and as H&H's counter-offer to provide goods or services in accordance with the H&H proposal and H&H's Terms and Conditions. If thereafter Buyer does not object to H&H within ten (10) days by written notice to Legal@hoffman-hoffman.com, H&H's counteroffer will be deemed accepted by Buyer. Buyer's acceptance of all or any part of any goods ordered will constitute Buyer's acceptance of H&H's proposal subject to H&H's Terms and Conditions.

3. Terms of Payment / Taxes: Payment is due net thirty (30) days from the date of each H&H invoice to Buyer. Interest at the rate of 1 1/2% per month (or the highest interest rate allowed by applicable law, if lower) may be charged after the 30-day period until payment is received. H&H accepts credit card payments. If Buyer chooses to pay by credit card, Buyer is subject to an additional convenience fee of 3.0% of the total amount paid by credit card. Buyer shall pay all costs of collection incurred by H&H including, but not limited to, reasonable attorneys' fees, collection fees, and court costs. H&H may suspend all further services and transactions (regardless of their status) without liability if Buyer's account is more than thirty (30) days past due or if Buyer's credit, in the sole judgment of H&H, is impaired at any time. Partial invoices may be submitted for any portion of completed work and/or delivered materials. While risk of loss passes to Buyer, Seller will have a purchase-money security interest in all goods (including any accessories and substitutions) purchased under this Agreement to secure payment in full of all amounts due H&H, and the underlying proposal, together with these Terms and Conditions, form a security agreement (as defined by the UCC.) Buyer shall keep all goods purchased under this Agreement free of all taxes and encumbrances, shall not remove said goods from their original installation point and shall not assign or transfer any interest in said goods until all payments due H&H have been made. The purchase-money security interest granted herein attaches upon H&H's acceptance or acknowledgment of this Agreement and Buyer's receipt of said goods, but prior to installation. Buyer will have no rights to set off against any amounts which become payable to H&H under this Agreement or otherwise. Notwithstanding any Buyer form or document to the contrary, H&H shall not release any rights to make a lien and/or bond claim, or other claim for damages, in connection with goods purchased or services provided until H&H has obtained payment in full for such goods or services and any damages. Furthermore, Buyer is responsible to pay in full for the goods or services provided by H&H regardless of whether such goods or services are funded for Buyer pursuant to any extraneous contract and/or by an applicable project owner or contractor. Unless otherwise agreed by H&H in writing, Buyer shall pay to H&H, in addition to the contract price, all sales, use, excise, privilege or other taxes imposed by any local, state or federal taxing authority payable in connection with the goods or services furnished.

4. Shipments / Claims: All shipments of goods are at Buyer's risk, f.o.b. factory, or if shipped from another location, f.o.b. point of shipment, with charges either allowed, added to invoice, or collected as noted. Any claims for damage or shortage or loss in transit must be filed by Buyer against the applicable carrier. If requested, H&H will reasonably assist the Buyer when making its claim for damages and/or losses while in transit. Claims against factory shortages will not be considered unless made within sixty (60) days after Buyer's receipt of the goods.

5. Approval: H&H shall not be liable in any way should any third party (such as a project architect, engineer, owner, etc.) fail to accept or approve equipment ordered by Buyer. H&H cannot guarantee to meet or equal specifications written around another make of equipment different than that purchased by Buyer.

6. Warranties and Liability: Upon H&H's receipt of payment in full for all amounts owed, H&H extends to Buyer the manufacturer's warranty (a copy of which is available upon request), and manufacturer's warranty is in lieu of any warranties contained in any applicable project contract, conditions, plans, or specifications. H&H ITSELF MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY, IMPLIED WARRANTIES OF DESIGN OR FITNESS FOR A PARTICULAR PURPOSE. H&H SHALL HAVE NO LIABILITY FOR ANY DIRECT DAMAGES BY REASON OF FAILURE OF THE EQUIPMENT TO OPERATE OR FAULTY OPERATION OR MISUSE OF THE EQUIPMENT, AND UNDER NO CIRCUMSTANCES SHALL H&H BE LIABLE TO BUYER OR TO ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, EXEMPLARY OR LIQUIDATED DAMAGES OR LOSSES, INCLUDING BUT NOT LIMITED TO, LOSS OF USE, INCOME, PROFIT OR PRODUCTION, LOST DATA, SPOILAGE, DELAY, OR INCREASED COST OF OPERATION. SAID EXCLUSIONS APPLY EVEN IF H&H HAS BEEN ADVISED OF SUCH POSSIBLE DAMAGES OR IF SUCH POSSIBLE DAMAGES WERE REASONABLY FORESEEABLE. H&H does not commit that the equipment sold will effectively control, eliminate, kill or prevent the spread of COVID-19 or other mold, bacteria, virus, or pathogen, and H&H expressly disclaims that the product is fit for this purpose. H&H shall have no liability or duty to defend or hold harmless Buyer or any other third-party with respect to any claim, injury, loss or damage arising from or in connection with COVID-19.

7. Design and Workmanship: Buyer acknowledges that H&H is not responsible for the design of goods or services purchased and did not participate in any project design in connection with such goods or services. (a) Goods shall be fabricated in accordance with the contract drawings and specifications furnished by the Buyer and shop drawings approved by Buyer or its representative. (b) H&H shall not be responsible for the suitability, adequacy or legality of use of any designs, plans and specifications, and the Buyer shall indemnify H&H for any loss, damages and expenses incurred by or charged against H&H by reason of any alleged patent or copyright infringement, personal injury or property damage allegedly arising out of the use of designs, plans, and specifications furnished by Buyer for the goods. (c) Once shop drawings are approved by Buyer, Buyer shall reimburse H&H for all expenses resulting from changes thereto. Buyer shall compensate H&H for any and all extra work requested by Buyer and performed by H&H outside the limits of H&H's proposal. If H&H and Buyer do not reach agreement as to compensation and any change to the project schedule resulting from such extra work, H&H shall not be responsible for the extra work.

8. Limitation of Remedy: H&H shall have no liability for any damage caused by negligence, accident, misuse, improper storage, improper installation, improper service, maintenance or operation of equipment by Buyer or any third party. To the extent H&H is liable to Buyer under any legal theory (whether under warranty, negligence, strict liability or contract), Buyer's sole and exclusive remedy is limited to one of the following, which H&H shall elect in its sole and absolute discretion: (a) repair or replacement of purchased equipment or its parts by H&H or its duly authorized representative or (b) refund of the purchase price. In no event shall H&H's liability exceed the purchase price paid by Buyer under this Agreement, and Buyer waives all other remedies at law or in equity. Furthermore, Buyer waives any claim with respect to quantity or quality of goods or services purchased, unless Buyer notifies H&H in writing within ten (10) days of the date Buyer discovered, or by reasonable inspection should have discovered, the basis for such claim. Under no event shall H&H owe any duty or have any obligation whatsoever to any customer or client of Buyer or to any other third party.

9. Hazards: H&H is not responsible for the identification, detection, abatement, encapsulation or removal of hazardous substances, such as (without limitation) asbestos, products or materials containing asbestos, mold, fungi, mildew, or bacteria. At all times now and in the future, H&H takes no responsibility for and makes no representations or warranties concerning any existing or future hazardous substance or condition (i.e., mold) or the remedy or prevention thereof. Furthermore, Buyer has a duty to alert H&H of any known or likely potential hazards at any project site where H&H's representatives and affiliates may be present in connection with this Agreement.

10. Indemnification / Insurance: To the fullest extent permitted by law, Buyer shall indemnify, hold harmless and defend H&H and its officers, employees and agents from and against all claims, demands, liabilities, suits, judgments, awards, or expenses of any kind (including reasonable attorneys' fees and costs incurred defending such claims or demands, regardless of whether they result in legal action or are prosecuted to final judgment or award), which result or arise from Buyer's purchase, installation, or use of goods or services provided by H&H, including all claims that goods sold or guidance provided by H&H or its employees contributed to or failed to prevent or control the spread of COVID-19 or other mold, bacteria, virus, or pathogen. To the fullest extent permitted by law, the obligations of defense and indemnification set forth herein shall be binding upon Buyer no matter what the nature of the claim asserted may be (whether it be for negligence, warranty, strict liability, or otherwise) and shall be binding even if H&H is alleged or proven to have acted negligently; provided, however, that Buyer shall have no obligation to provide indemnification to H&H if the claim asserted arises in negligence and is finally adjudicated to have arisen solely from the negligence of H&H. Buyer shall also indemnify and hold harmless H&H from all liability for taxes owing in connection with Buyer's purchase of goods or services. The obligations and rights to indemnify herein shall not negate, abridge or reduce other such rights or obligations under law. This Agreement does not require Buyer to indemnify H&H for H&H's own negligent or intentional acts or omissions to the extent that doing so would violate applicable law. Buyer and H&H jointly authorize and request any court or arbitrator considering the enforceability of this paragraph to re-write this paragraph so that it requires Buyer to defend, indemnify, and hold H&H harmless to the fullest extent permitted by applicable law. Upon written request of Buyer, H&H shall only be required to name Buyer as an additional insured to the coverage types listed on H&H's standard Certificate of Insurance (available upon request). In no event does H&H waive any rights of subrogation.

11. Claims Resolution / Governing Law: Unless H&H elects otherwise, all claims and disputes between Buyer and H&H arising out of or relating to performance of any agreement or breach thereof must be decided by binding arbitration in accordance with the Construction Industry Arbitration rules of the American Arbitration Association (AAA). Demand for Arbitration must be filed in the regional office of the AAA closest to Greensboro, North Carolina, and the filing party must serve such Notice upon the other party in accordance with AAA rules. The procedural and substantive law of the State of North Carolina must apply in and to all arbitration proceedings, and Greensboro, North Carolina, is designated as the sole and exclusive venue for such proceedings. Any award arising from such proceedings shall be final and binding upon the parties and enforceable in accordance with the Federal Arbitration Act. H&H and Buyer agree that their transactions involve interstate commerce. This Agreement shall be governed by and construed solely in accordance with the laws of the State of North Carolina, without regard to principles of conflicts of laws. H&H shall have the sole and exclusive right, at H&H's sole and absolute discretion, to waive the arbitration provision and to elect to litigate any claim or dispute in a court of appropriate jurisdiction. Unless H&H elects another court of appropriate jurisdiction in H&H's sole and absolute discretion, the state courts located in Greensboro, Guilford County, North Carolina, shall be the sole and exclusive forum for any litigation between H&H and Buyer. Buyer consents to the jurisdiction of the state and federal courts located in Greensboro, Guilford County, North Carolina.

12. Delays / Penalties / Force Majeure: Delivery dates are approximate and not guaranteed. In no event and under no circumstances whatsoever will H&H be liable for any damages or expenses caused by any failure or delay in making delivery of goods or in performing services hereunder. No penalty clause or liquidated damages of any kind (for delays or otherwise) apply to H&H unless pre-approved in writing by an H&H officer. Furthermore, in no event and under no circumstances whatsoever will H&H be liable under this Agreement for any event of force majeure, including but not limited to, acts of God, riot, war, terrorism, inclement weather, labor strikes, material shortages, pandemic, and other causes beyond H&H's reasonable control.

13. Cancellations / Returns: If an order is canceled through no fault of H&H, the Buyer shall reimburse H&H for all expenses, costs, damages and losses (including lost profits) incurred by H&H in connection with the order and its cancellation. Goods may not be returned except by written permission of a representative of H&H, and when so returned, shall be subject to handling and transportation charges.

14. Equal Employment Opportunity / Affirmative Action Clause: H&H and Buyer shall abide by the requirements of 41 CFR 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status.

15. Government Contracts: If Buyer's purchase of goods or services is in any way connected to any federal, state, or local government project, which implicates or utilizes any Small, Minority or Disadvantaged Business incentives or qualifications (or other similar laws or regulations), Buyer represents and certifies to H&H that Buyer is performing a commercially useful function on such project. Currently, H&H does not comply with Executive Order 14042 Task Force Guidance as issued September 24, 2021 ("Guidance"). Any H&H bid/proposal is contingent upon Buyer's waiver of the requirements contained in the Guidance when applicable.

16. Trust Funds: Buyer agrees that all funds Buyer receives that result from the labor, materials, and/or equipment furnished by H&H will be considered "Trust Funds." Buyer will hold all Trust Funds in trust for the sole and exclusive benefit of H&H. Buyer will segregate Trust Funds from other funds. Buyer will account for all Trust Funds and deliver all Trust Funds to H&H. Buyer will not use Trust Funds for any purpose other than paying H&H.
