Saturday, October 26, 2024	12:00 PM	Hardin Park Field #2	State Farm Insurance - Agent Adam Jackson	vs	Big 6 Properties United Country

Game times represent a time for youth to participate in structured youth athletics programming. The games themselves should be treated closer to scrimmages, as not all participants may be in the position to return back to playing games.

All teams are scheduled to finish the season with approximately an equal number of games. The flag football will still end at the approximate time to allow for participants signed up for basketball ample time to transition into the basketball season.

With Ashe P&R teams no longer playing, some games have been added to the schedule. Other games may have had start times moved to allow coaches of multiple teams the opportunity to coach all their teams.

Playing fields may be marked with cones instead of lines. Playing fields may also be played going "one-way" with a modified rule set.

Hardin Park - 361 Jefferson Rd, Boone, NC 28607

Field #1 will be on the left side of the field, Field #2 will be on the right side of the field.

TMSC - 574 Brookshire Rd, Boone, NC 28607

Gold #3 is the soccer field with gold lines in the Northeast corner of the field.

Games are on the Practice Field, NOT the App St. Stadium Field
