Erosion Control Certification

The undersigned applicant for a Watauga County building permit acknowledges the following:

1. I am responsible for preventing off-site sedimentation during the course of my construction project;
2. Should off-site sedimentation occur as a result of my construction, I will cease construction until corrective actions are taken, to include prevention of further sedimentation and clean-up of any off-site damage;
3. I understand that failure to comply may result in withholding by the County of building inspections or issuance of a stop work order until compliance is achieved.

The preceding is pursuant to the Watauga County Erosion Control Ordinance and the NC Sedimentation Pollution Control Act of 1973.
