Subject: Corona virus update

Date: Friday, March 13, 2020

Watauga County Parks and Recreation (WCP&R) has been monitoring the situation of the corona virus (COVID-19) outbreak which has now been declared a pandemic. As more positive testing results from various areas of North Carolina are announced and the situation rapidly changing, WCP&R is following the North Carolina High School Athletic Association protocol, no events will be held through April 6, 2020. All scheduled events, games, matches, practices; Pickleball, Open Volleyball, etc. are suspended until April 6th.

As this issue evolves, WCP&R will continue to monitor the COVID-19 situation and make additional announcements as deemed necessary in the best interest to the health of our communities. We will remain in contact with the AppHealthCare-Appalachian District Health Department and the North Carolina Recreation and Parks Association. Updates will be provided via facebook, @wataugacountypr, instagram at wataugaparksandrec, www.wataugacounty.org and local media.
